OBJECTIVE

Aspiring Computer science student with practical experience in web development acquired during an internship. Familiar with the basics of Java and Knowledgeable in HTML, CSS, and JavaScript, with a solid understanding of web technologies and backend development fundamentals. Committed to continuous learning and professional growth in the field of software development.

SKILLS

Programming Language   : Java(OOPs),Python, Data Structures and Algorithms
Web Development Technologies   : HTML, CSS, JavaScript Basics
Testing   :Software testing(manual testing)
Tools and Platforms used   : Git , Visual Studio Code, Selenium.

INTERNSHIP

Dagslore Technology Solutions   **July 2023**
Intern – Web Development
Worked closely with team members to design and implement responsive web pages using HTML, CSS, and JavaScript.

Compad Systems   **Jan - 2024**
Intern – Java Technology
Completed an internship at Compad Solutions focused on Java technology, gaining hands-on experience in software development and backend programming.

PROJECTS

Replica of OpenAI chatbot using python

The goal of this project is to create a ChatGPT replica model that functions like a regular ChatGPT using Python programming. When the program is executed, there is no requirement to sign in via email. Simply run the program, ask questions, and it will provide responses just like ChatGPT.

Roll the dice

Developed an interactive web-based dice game where the outcome of each round is determined by dice rolls. This project provided a fun, competitive experience and demonstrated core skills in front-end development, game logic, and UI design. .

Efficient speed Control DC Geared Motor

This project is designed to control the speed of vehicle by controlling the speed of the tyres through mobile application and helps people to maintain speed of vehicle easily

---

STRENGTHS

- Adaptability
- Teamwork
- Time Management
- Eagerness to Learn

EDUCATION

Akshaya College of Engineering and Technology   (2021-2025)

Bachelor of Engineering in Computer Science and Engineering
CGPA: 7.9

Sri Chaithanya Junior College
                                                                     2019-2021

Intermediate Education
Percentage: 80%

KaKathiya [E.M]High School   2018-2019

secondary Education
CGPA : 9.7

HOBBIES

- Cooking
- Playing Cricket and Chess.
- Reading
